TOTALY RAD BOS PROM

GONE
BAD

With their high school career coming to an end,
the students of Mayhem High find themselves battling
it out over grades, popularity, affection, class rankings and
what they all have been focused on for years...
who will be awarded the prom king and queen title?

Will it be the class president who is looking to extend his
reign past the student council? The pom-pom captain who has
used her moves to land more than the prom court nomination?
Or possibly the math team captain who is desperate to
make his name in something other than academics?

**As the night unfolds, the royalty will be rewarded
and an innocent life will be claimed.**

From the preppie to the punk rocker, the jock to the jilted —
all are suspected although only one is to blame.
Can you find the culprit in this crazy madness that is
filled with neon, naughtiness and narcissistic behavior?

**JOIN THESE TOTALLY TUBULAR TEENS
AND FAR OUT FACULTY FOR A NIGHT OF
MULLETS AND MAYHEM.**

Night of
Mystery

MAYHEM MIX

Prom is HERE

As another school year comes to a close, there is no other event to commemorate a great high school career than the prom! Among those who have already purchased their tickets for the dance are:

Peter Prez—Senior Class President. For the past four years, this preppie hasn't wanted anything more than to rule the school. Peter has lobbied hard for being elected the prom king and won't let anything stand in the way!

Sarah Social—Senior Class Vice-President. A valley girl at heart, Sarah is responsible for, like, planning ALL the details of the prom, and making sure things go exactly according to plan—her plan!

Debbie Taunte—Senior Class Treasurer. Spoiled to the bone, this wealthy woman has a way with money and a way of using it to get whatever she wants!

Clerical Katie—Senior Class Secretary. Harboring more than the class records, Katie's spaz-tastic personality will stop at nothing to make sure she does not get overlooked...again!

Bobby Backer—Jock. As the leader of the Ravens baseball team, Bobby has made several enemies by using his influence to get what he wants!

Sally Spirit—Cheerleader. After Sally's recent split with Bobby, it is hard to say if she wants him back or wants revenge.

Kevin Catcher—Baseball Player. With his grades falling and chances at college slim, many underestimate Kevin and his abilities.

Cindy Sensational—Class Sweetheart. Cindy has captured everyone's heart, including her boyfriend, Kevin Catcher. With such a sweet demeanor, are Cindy's actions genuine or just an act?

Gabby Backer—Gossip. As Bobby's twin sister, Gabby is tired of living in the shadows of her over-achieving brother. For once, Gabby is looking to make her own way at the dance!

Larry Lefty—Outcast. Misunderstood and moody, Larry is one of the overlooked players on the baseball team—but he refuses to be ignored tonight!

J.J. Smart—Valedictorian. A real smarty pants, J.J. has been the head of the class since first grade. With acceptance to Harvard on the line, this individual will make sure it stays that way.

Dolly Dancer—Pompon Captain. As the cheerleader's arch rival, Dolly has danced her way into the heart of Bobby Backer and intends to stay there.

Ryan Rocker—Punk Rocker. As the cheerleader's date, Ryan is attending for Sally's support...but could his hard rocking lifestyle be too much for everyone to handle?

Alan Algebra—Math Team Captain. As the greatest mathlete in Mayhem High history, Alan is upset that the math team is often overlooked. He has vowed to make sure it does not stay that way.

Principal Simpson—Principal of Mayhem High. As newly appointed principal, the principal wants to set and enforce high academic and social standards—but at what cost?

V.P. Patterson—Vice Principal. The second-in-command, V.P. has a lot to prove (and hide) if they plan to continue on in their leadership position.

Dr. Talk—School Counselor. In charge of advising and counseling the students, Dr. Talk may have more knowledge than they let on.

Teach Tanner—Math Teacher. As a popular teacher, Teach Tanner seems to be helping out the students a bit too much. Will their close affiliation with the student body come back to haunt them?

Coach Walters—Baseball Coach. With a chance to win a state baseball championship, Coach Walters is very motivated to make certain they meet all of their goals...at any costs!

Roy Rivers—Alumnus. Back in town for the big dance, Roy may have more planned for the evening than he is letting on.

CONGRATS

J.J. Smart &
Cindy Sensational

These seniors received acceptance into their top choices for college in the fall.

Congrats to both students!

And the nominees are...

After weeks of campaigning, the seniors voted and the representatives chosen for prom court are:

Peter Prez &
Debbie Taunte

Bobby Backer &
Dolly Dancer

Kevin Catcher &
Cindy Sensational

Alan Algebra &
Sally Spirit

Don't Forget To Vote!

**GO
RAVENS!**

Coach Walters, bring us home a
State Championship Title!

Most Likely To...

...Succeed: Bobby Backer. From athletic skills to great grades, this boy has a way (or a way of getting) everything he can want in life.

...Marry a Millionaire: Debbie Taunte. Although Debbie has enough resources to finance her future, her motto is "there is always room for more!"

...Save the World Quietly: Cindy Sensational. Cindy's pleasant attitude is only complimented by her goal of becoming a doctor. Put that with the fact that she volunteers as a library assistant and the girl can do no wrong.

...Become the Next Politician: Alan Algebra. He has to be one smooth talker to get from dork to the prom court!
